Home of Kodiak Jack's

I'm sorry Zac, but..

I got my toes in my dance boots
Ass in my jeans
Hangin' out here at KJ's
The hottest girls ever seen
Life is good today, Life is good today
Well I got to the bar about 9 o'clock
And the day job is still on my mind
Wranglers and short skirts dance in my head
But I'm still in the I.D. line
Got my tall Jack and water
Ass on the stool
Forgettin' the day job
This place is cool
Life is good today, Life is good today
Just had some Mucho
With just the right burn
Headin' over to the bull
Think I'll take a turn
So I filled out the bull form
Jumped into the pen
Climbed up on Kodiak
Here we go again
Life is good today, Life is good today
So after some freestyle
It's back to the bar
After a couple more shots
It's a cab, not my car
Life is good today, Life is good today
Adios, I'll see you at Denny's
Then back here Friday night
Where the crew at the bar
Will treat us just right
Got my toes in my bed now
Ass in the sheets
The room can stop spinning
My night is complete
Life is good today, Life is good today
